AAOMS

**R**econstruction Chapter Release Upcoming  
We appreciate your patience in awaiting the Reconstruction chapter release. Due to the recent release of Windows 10 and the Edge Browser, Centrax has delayed the release of the new chapter to insure full compatibility with these new Microsoft products. We expect Reconstruction to be live by mid-October.

New Author Listing

A full listing of OMSKU V authors is now available [here](#), allowing for easier recognition.

New Director of Continuing Education

We are pleased to welcome Ms. Beth Hayson back to AAOMS as the new Director of Continuing Education! Please continue to direct OMSKU questions to Shannon, but feel free to reach out to Beth as necessary.
